We May Never Pass This Way Again

Life — so they say
Is but a game and they let it slip away
Love — like the autumn sun
Should be dying but it's only just begun
Like the twilight in the road up ahead
They don't see just where we're goin'
And all the secrets in the universe
Whisper in our ears and all the years will come and go
And take us up always up

We may never pass this way again

Dreams — so they say
Are for the fools and they let them drift away
Peace — like the silent dove
Shoned be flyin' but it's only just begun
Like Columbus in the Olden Days
We must gather all our courage
Sail our ships out on the open sea
Cast away our fears and all the years will come and go
And take us up always up

We may never pass this way again

So I wanna laugh while the laughin's easy
I wanna cry if it makes it worthwhile
I may never pass this way again
That's why I want it with you
'Cause you make me feel like I'm more than a friend
Like I'm the journey and you're the journey's end
I may never pass this way
That's why I want it with you baby

We may never pass this way again.

MR. IVAH A. HACKLER
PRINCIPAL
1942—1974

In October, the Board of Trustees, alumni, faculty, students and community paid a well-deserved tribute to Mr. Ivah A. Hackler by dedicating a weekend filled with various activities to a man who has earned the respect of thousands during his administration at Pinkerton Academy.

Mr. Hackler came to Pinkerton when only two hundred filled its campus, and he retired when its student body numbered nearly two thousand. Much of the uniqueness of a small school, the personal contact among students, faculty and parents remained through his administration. Still further, Pinkerton remains a highly respected institution of learning because of Mr. Hackler's belief in progress without lowering the standards of the education processes.

Because of his dedication not only to Pinkerton but also to education, he has been appointed to the State Board of Education and named a trustee to the Academy.

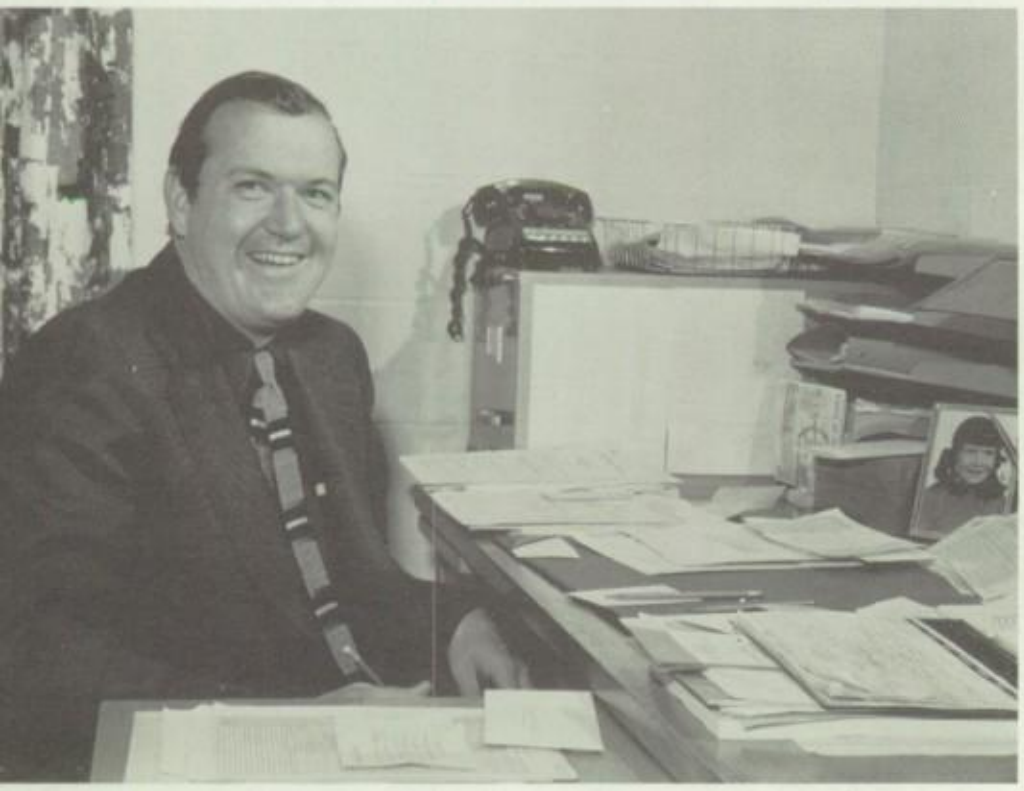
Although he has left the front office, he still remains a part of our lives. We thank him for his service and wish him many happy years in other areas of education.

"To Sir
With Love"

"Not length but width and depth define the span by which the world takes measure of a man."

DEDICATION

MR. BRADFORD V. EK, PRINCIPAL



The Senior Class of 1975 dedicate our yearbook to you, Mr. Bradford Ek. As an alumnus, former teacher and assistant principal, you have devoted your life to Pinkerton Academy and its students.

We are proud to be the first Class to be graduated under your direction. It has been through your guidance and deep concern that we have accomplished this goal.

We would like to thank you for your constant interest and support in both our academic and personal lives.

APPRECIATION

Mrs. Sandra Brown, Class Advisor 1973-1975

Mrs. Brown, in acting as class advisor, has given to our class her advice and leadership for the last two years. She has helped us to alleviate our debts and through organization lead us onto many successful activities. More than a class advisor, Mrs. Brown has become a friend to each of us; and because of this friendship and love, we will always remember her. Thanks M. B.

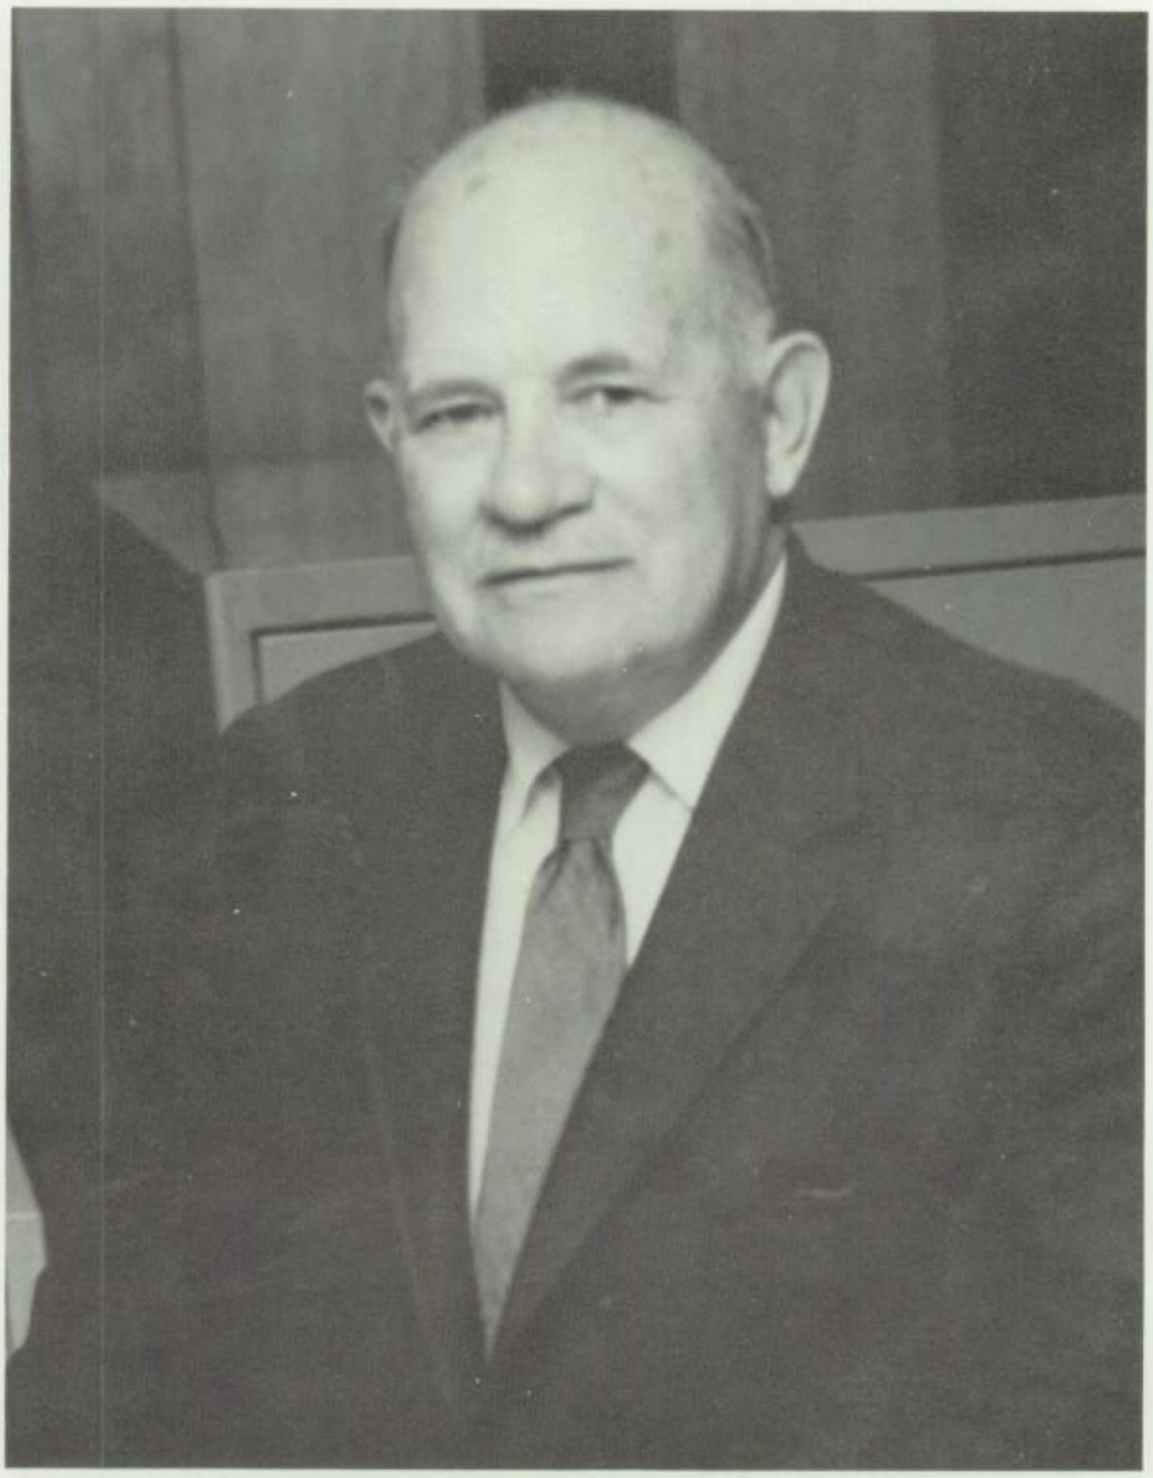
ALMON L. BRACKLEY
Trustee 1967—1974



No words can express the loss felt by all those who ever knew Mr. Almon L. Brackley, Esq.

He came to Pinkerton Academy several years ago offering his services as Business Manager. Mr. Brackley devoted many hours to the infinite amount of work that is required in overseeing the operation of a school run smoothly. Because of his ability and outstanding efforts, he was elected to the Board of Trustees in 1967.

Most of us have shared the experience of having Mr. Brackley smile as he accepted the numerous requisitions made through his office. His dedication to the Academy has served as an inspiration to all of us.

ORIAM

MARY BONNÉ
June 1957 — December 1973

"A blossom opens and then closes with the passing of the seasons, but the fragrance and beauty of its brief existence lives on forever in the hearts of those who beheld it."

Mary spent many hours of her time and effort working at the Alexander Eastman Hospital. Her care and love touched the hearts of many people. Because of her special qualities, we the Class of '75 will deeply miss our friend and classmate.

Senatus Populusque Romanus

Senatus Populusque Romanus, better known around Pinkerton as the Latin Club, has been very active during the past year. In the fall new members, some not taking Latin, were welcomed into the club and started participating in all our monthly activities. Many long hours were spent in preparation for Mr. Hackler's testimonial weekend. The traditional Thanksgiving Basket was donated by the S.P.Q.R.

As winter started, forty members went roller skating, sold candy bars, and attended a state Saturnalia party where everyone exchanged gifts. As the new year started there were toboggan parties after state meetings.

Latin Week took place at the start of spring during the Ides of March. A Roman Banquet was put on where the guests were served by slaves. By May each member was saving his money for the National Junior Classical League Convention in August at Ball State University in Muncie, Indiana.

"Every corner is a goal — so let's score!"

The Field Hockey team had a good season of 3 wins and 7 losses—undefeated on their home field! Miss Shepard, Varsity coach, was assisted by Mrs. Guinesso in coaching the girls in their second season. The team was primarily made up of underclassmen; the only two graduating seniors were Shelli Jeans and Amy Sullivan, the captain.

Joanne Langone, a sophomore, scored most of the goals with great assists from Kim White and Cheryl Southwick. Kim Hainsey, the goalie, returned for her second season of blocking shots. The season ended with high hopes for an even more successful season next year, after all, the older you get, the better you get!

"Block that shot!"

*Denotes League Games

The 1974 Varsity Lacrosse team wound up its season with an overall record of 10 wins and 2 losses and regained its Lakes Region Championship by virtue of an undefeated Division I Record of 3 wins and 0 losses. The team had to compete against some tough competition and had to work hard to get some of its victories. The highlight of the season was the team's 10-9 victory over Holderness, last year's Lakes Region Champion. The game was a see-saw battle which was finally decided in the last 30 seconds, as Senior Captain Jim Settle fired a shot past the Holderness goalie.

"5 hours later . . ."

The Softball team coached by Miss Spinney, Miss Dayton, and Mrs. Goodwin, had a good season of 7 wins and 3 losses. Karen Cressy and Tracy White shared the pitching load for the entire season. Amy Sullivan, captain, on second, Kim Hainsey, at shortstop, Kim White in center field returned to their same positions this year. The only bunter, Tracy White, did an excellent job at first, while Cheryl Southwick cleaned up at the catcher's position. Kim Hainsey, Joanne Langone, Amy Sullivan, and Karen Cressy batted in the bulk of the runs. Karen Cressy hit the only grandslam of the year!

Nine girls qualified for the state meet last year: Robin Schieding in the Shot Put; Kae Fitzgerald in the Running Long Jump; Deb Ross in the High Jump; Iris Bley and Dayna Mastromarino in the Javelin; Lorrie Miller and Val Parkin in the Discus; Penny Rowell and Virginia Westervilt in the 100 yard dash.

Penny Rowell went on to finish fourth in the state meet with a time of 11.6 seconds. As Penny was only a freshman at this time, we were pleased with her accomplishment.

CRITIC STAFF HISTORY

We, the Critic staff of '75
somehow managed to survive,
It was no play and mostly work
and from our duties we could not shirk.

If our yearbook fund was to increase
our efforts simply could not cease,
When the funds were going down
who came to the aid, but Mrs. Brown.

We had to get money in some way
and succeeded with our Senior Play,
under the direction of Mrs. West
it was thought by all to be the best.

Our yearbook data was collected
and by Miss Goranites was corrected,
to make the errors less
before sending it to press.

And now as our school year draws to a close
We hope that the vocations we chose
will aid us in the coming years
to overcome our enormous fears.

As our year draws to an end
We say good bye to many a friend,
We wish them love and happiness too
and the best of luck in whatever they persue.

It took seven stanzas just to state
our Critic history up to date
and so we say farewell rather sadly
to the other students of Pinkerton Academy.

At times we had doubts that we would ever finish, but finally the yearbook was completed. We sincerely hope that our efforts are appreciated by our fellow students. This yearbook was not produced by the literary staff alone. It was made possible by many people behind the scenes. Without our advisor, Miss Goranites, we would have ended up with a comic book instead of a yearbook. She devoted hundreds of hours of her time to us and has now developed an ulcer. Others we would like to thank include: the typing staff, who typed all the copy in the book in triplicate; Curt Qumiby, our photographer; Miss Abbot and the business staff, who raised much needed money; and last but not least Mr. Muller, who was always around when we needed a picture taken.

To these people and all the other faculty and students who aided us, we would like to express our thanks.
